

FISCAL NOTE

SB 1740 - HB 1750

March 31, 1997

SUMMARY OF BILL: Excludes asbestos-related diseases resulting in total disability or death from the 30 day notice requirement that applies to occupational diseases.

ESTIMATED FISCAL IMPACT:

Increase State Expenditures - Not Significant
Increase Local Govt. Expenditures - Not Significant

Assumes delaying notification of such workers' compensation claim would make it more difficult to manage the cost of that claim; however, we estimate the number of asbestos-related claims affecting state or local governments to be few, if any.
